

HYBRID SEMINAR: ONLINE – WEBEX– IN PERSON

Hazardous Materials

For fuel dealers and tank drivers

APRIL 07, 2022

8:30AM – 12:30PM

This training class will meet the requirements of 49 CFR Part 172.704, and 177.800(c).

This is a required training for ALL Hazmat employees.

Mandatory testing is included and a Certificate of Training will be awarded.

WHO SHOULD ATTEND?

Packing & Shipping Supervisors * Traffic & Transportation Managers * Distribution Employees * Hazmat Drivers

177.800(c) Responsibility for training.

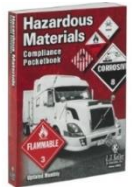

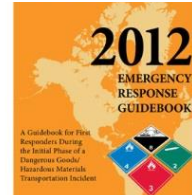

A carrier may not transport a hazardous material by motor vehicle unless each of its hazmat employees involved in that transportation is trained as required by this part and subpart H of part 172 of this subchapter.

** Employees must be trained within 90 days after date of hire and retraining is required every 3 years.**

This session is intended as a refresher and does not meet the ELDT requirements
