Membership Application

Membership Categories

Regular

Any company which directly uses trucks for their line of business. Regular membership is based on the total number of vehicles owned or leased over 10,000 pounds. This rate was established for companies owning or leasing between 2 and 8 vehicles. A company will be charged an additional fee for each vehicle up to 24 vehicles. Companies with over 17 vehicles will reach the maximum yearly membership dues.

Associate Vendor

Any business offering the sale of trucking related products or services which they do not manufacture. Truck or trailer dealers are considered Associate Manufacturers.

Associate Manufacturer

Any business which utilizes trucks to transport items it manufactures to a sales location. Also, any business transporting “raw materials” to its location for manufacturing. Businesses manufacturing trucks or truck parts are also considered Associate Manufacturers.

Single Truck Owner

An individual owning a single truck meets the qualification of this category. This category grants all the rights and privileges of NHMTA Membership.

Limousine

Companies owning one or more limousines are eligible for this classification. The company will be charged an additional fee for six or more vehicles.

Municipality

Any town or city is eligible for this classification.

Multiple Vehicles Under 10,000 Pounds

Any company that owns or leases vehicles under 10,000 pounds GVWR.

Membership Services

- Fleet & Cargo Insurance Program – NHMTA has joined with Acadia Insurance Company to offer a cargo and fleet insurance program which includes competitive rates, dividends, one hour claim service and more. Qualified members may also join the NH Motor Transportation Safety Group and potentially earn back dividends.
- Legislative Support – You are well represented in the New Hampshire Legislature. Robert J. Sculley is a registered lobbyist for the NHMTA. The success rate of the Association’s lobbying efforts has established the NHMTA as one of the most effective trade associations on record.
- Heavy Truck Driver Apprenticeship Program – NHMTA has crafted (with the help of the US DOL) a set of skills (both driving and communication) that allows employers to gauge a driver’s ability to meet/exceed in order to train the driver to be a valuable asset to the motor carrier.
- Forms and Supplies – All of the forms and supplies required by State and Federal governments for the transportation industry are available through the NHMTA office. We buy our materials in bulk so we can offer you the lowest prices in the state.
- Newsletter and Email Blast – A monthly newsletter and weekly email containing industry updates, regulation changes and information that is pertinent to your business.

Other Member Services available for additional fees

- Workers’ Compensation – The Association has established a self-funded workers’ compensation program. This is an opportunity for our members to “control” their workers’ compensation costs. If you are on the residual market, and are being assessed the 10% surcharge, you can enter our program at the voluntary rates, if you qualify.
- Education Services – Throughout the year seminars on Safety, Forklift, Air Brake, HAZMAT, Drug & Alcohol Testing, and more are scheduled so that you may learn firsthand from the experts in these areas.
- Drug & Alcohol Testing Program – The NHMTA has a comprehensive drug & alcohol random testing program that meets all the Federal and State requirements. You must be a member of NHMTA to join the program.
- Clearinghouse – NHMTA will assist with compliance requirements including Clearinghouse C/TPA services(for members of NHMTA Drug and Alcohol Progm).
- Household Goods Tariff – Household goods movers who belong to the Association may participate in the tariff that the NHMTA has filed with the Bureau of Common Carriers.
- Dental program – The NHMTA has a fully insured product with Northeast Delta Dental. Members receive a substantial discount on premiums as opposed to going to Northeast Delta Dental directly. No minimum employee participation is required.
- Vision program – The NHMTA has a fully insured product called DeltaVision. No minimum employee participation is required.
